

Bridging Researchers and Impacted Communities for Health Equity in Breast Cancer

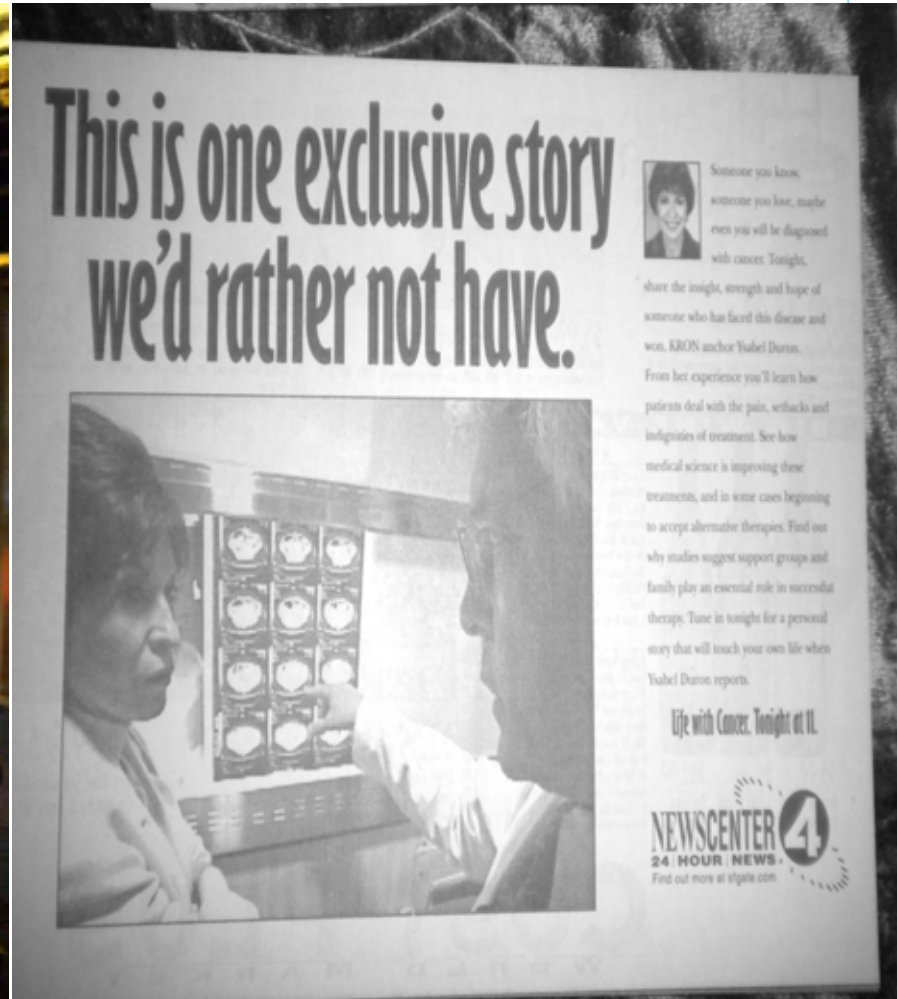

Ysabel Duron
Founder/ Executive Director
The Latino Cancer Institute
January 28, 2021

THE LATINO CANCER INSTITUTE
Connect. Convene. Advocate.

Backstory – How Advocacy Found Me

'Ok God, this is not about dying, what's the point'

Let Me Share the Ways

- ✓ Improve Disease Prevention through Health Education
- ✓ Increase Access to and Improve Quality of Care
- ✓ Improve Public and Private Health Infrastructure
- ✓ Increase Latino Health Workforce Development and Retention
- ✓ Drive and Increase Research

Your Voice Is Your Power

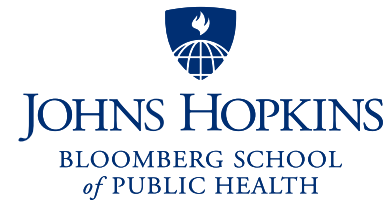

Office of the Governor
California Initiative to
Advance Precision Medicine

Advance patient centered
approaches that improve
health outcomes

Choosing Advocacy

- Making a Difference
- Getting Involved
- Identify your Passion
- Find the Joy

Thank You
